

# Careers Expo

Careers Day as part of the North West Expo, showcased tertiary institutions, training colleges, businesses and State and Federal government initiatives that focused on helping students plan their future. The Career's Expo is the major interactive education, training and employment exhibition in the region.

Friday 1 May 2009 was dedicated to students only who took the opportunity to speak one-on-one with industry leaders about job and training opportunities.

Try a Trade activities included building & construction, horticulture, hair-dressing, hospitality where students received hands-on experience in various trades. Also there were exhibits from organisations promoting careers and training in banking, the defence forces, media, nursing & health, teaching, resources & mining and tourism with a very strong focus on career paths for indigenous students.

200 secondary students from St Mary's College, Broome Senior High School, One Arm Point School, Lombadina School, Sacred Heart and Derby District High School attended the 2009 Career's Expo.

The aim of NW Expo Careers Day is to assist young people with career and training choices through career counseling, try-a-trade and interactive exhibitors. The Careers Day is a fun and interactive event. The event is expected to continue to expand to include school students from even further afield, reaching the remote community schools.

**Job opportunities at North West Expo**  
 WHEN: May 2 and 3 2009  
 Saturday 9am-5pm Sunday 9am-4pm  
 WHERE: Broome Recreation and Aquatic Centre

woodside **CAREERS EXPO** KGT  
 Visit the Careers marquee to talk to industry experts about training and career opportunities.

**BANKING**  
 As part of National Bank's new Reconciliation Action Plan, NAB is committed to improving the employment prospects of Aboriginal and Torres Strait Islander people. Find out more about scholarships, traineeships and opportunities for Indigenous employment.

**EDUCATION AND TRAINING**  
 Education and training providers Batchelor Institute [Darwin], University of Notre Dame and UWA - Centre for Aboriginal Medical and Dental Health will update you on over 100 courses available.

**HEALTH**  
 Are you interested in a career in nursing, age care, mental health or Aboriginal health? Learn more about the WA Country Health Service, the single biggest Area Health Service in Western Australia, and the largest country health system in Australia. It services almost one third of the State's population, including 44,900 Indigenous Australians.

**APPRENTICESHIPS**  
 Find out about apprenticeships and trainee recruitment in industries such as carpentry, building, hairdressing, IT, marine, automotive, cooking, farming, plumbing and fitness.

**RESOURCES**  
 Come and find out about the exciting career opportunities offered in Woodside's dynamic and challenging work environment. Woodside employees can participate in work-based training, cadetships and apprenticeships, as well as graduate development traineeships across a number of disciplines.

**MEDIA STUDIES**  
 Consider further training opportunities with Batchelor Institute and learn about film, TV, radio or digital media.

**TOURISM**  
 Tourism in Western Australia is one of the major employers in the region. Opportunities in tourism stretch from owning your own tourism business, to working in accommodation, food and wine, events, sport or government. Work in some of tourism's top organisations and get paid while you learn - ask about the Aboriginal tourism cadetships and traineeships.

**AUSTRALIAN DEFENCE FORCE RECRUITING**  
 Meet with the Defence Force recruiting team and learn more about life in the ADF. Take the ultimate 12 month challenge and discover what life is like in the Navy, Army or Air Force. Get paid to study at your chosen university, then make a difference with your degree in the ADF or get trained to maintain the ADF's world class equipment and receive qualifications that are recognised Australia wide.
